Dear Mr. Lopez-Llausas,

Professor Jose Ferrater Mora has mentioned to me that there is to be a new edition of his Diccionario de Filosofia. As one of the consulting members of the editorial staff of The Personalist, I should be happy to review this book, for I have long been an admirer of Pr. Ferrater Mora's work and use it extensively.

If you would like to have it reviewed in this journal, would you please send a copy to Dr. William M. Werkmeister, Director of the School of Philosophy of the University of Southern California, with the request that it be sent to me for review. I have ordered a copy, of course, for the University library.

Sincerely yours,

Geddes MacGregor
