Dear Professor <sup>Ferrater</sup> Mora:

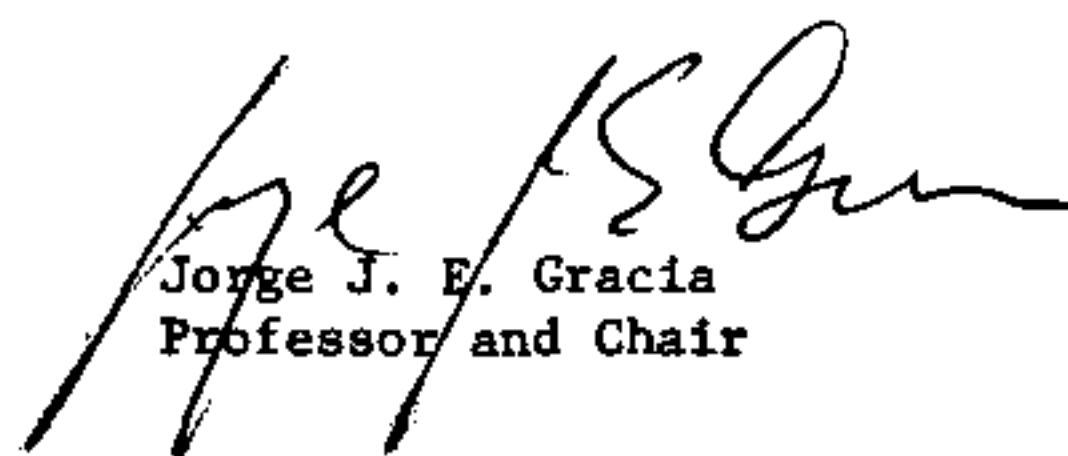

I just received the good news that Frondizi's Festschrift is on the way. It should be in your hands shortly.

I want to take this opportunity to reiterate my gratitude for your collaboration and for your patience. I am very pleased that you were able to contribute with an essay to the volume. And I am sure that Frondizi will be quite pleased as well when he reads it.

One last favor: If you think that the volume merits review by any journal with which you are associated, please, let me know and I will send you, the editor of the journal, or the reviewer, a review copy of the volume.

Let me know if I can be of further assistance. Also, if there are misprints in your article, please, send me a list. If necessary we will publish a list of those.

With my best wishes,

  
Jorge J. E. Gracia
