The Office.

Dear Sirs:

I wrote, about half a year ago, a letter to my friend, Professor José Ferrater Mora, a well known philosopher, but have not got up to now any answer. As a matter of fact Professor Ferrater Mora is travelling some times to Europe, so I suppose he may be absent from United States. Therefore I would be very grateful if you were kind enough to inform me about this subject, giving me his present address in Europe just as he was used to give me his address in France, when he was absent. In any case I would be very thankful for any information about Professor Ferrater Mora.

Looking for your kind answer  
I am very sincerely yours

Professor Dr. Bogumil Jasinowski.
