Dear Professor Ferrater Mora

On behalf of the Board of The Bryn Mawr Alumnae Association may I thank you for the entertaining but provocative talk you gave [Reunion?] weekend. It was rather like being back with you in introductory philosophy in the fall of 1952 only the issues you raise now are even more substantive and "real". Your talk was a splendid climax to the day of academic presentation, and we are very grateful for the generous contribution of your valuable time.

With very best wishes
