Dear Jose':

Your paper on "Ortega y Gasset" is too ad hominem for the American Philosophical Quarterly, but it would do well for the new History of Philosophy Quarterly (brochure enclosed). I would be glad to take it for that journal on one condition, viz. that you end the paper in the middle of page 21 (new numbering, old 24). The rest is too much of an anticlimax. If you don't like this, I'd settle for your proposing a different ending that is less lame.

With all the best,

Sincerely yours,

Nicholas Rescher
