Dear José:

I should like to invite you to join the Board of Editorial Consultants of the American Philosophical Quarterly. I regret that all I have to offer in compensation for the work involved (viz., passing on the acceptability of some four submitted articles per annum, as well as giving us your views on occasional matters of policy) is whatever personal satisfaction you might derive from helping to operate one of the strongest philosophical journals in the English-language orbit. I personally hope very much that you will find it possible to lend us your assistance and support.

With warm personal regards and good wishes,

Cordially yours,

*Nicholas Rescher*
