Dear Mr. Ferrater-Mora:

I am sorry for the delay in answering your letter of January 31st, however, this is our hectic time of the year and, I have problems answering the multitude of mails I receive.

I would be interested in screening your film "A HERO OF OUR TIME" with a view towards distribution. I would not be able to discuss this possibility with you until I have seen the film.

If you would care to forward it to me at your convenience, I will be happy to look at it and get back to you shortly thereafter. I look forward to hearing from you in the near future.

Sincerely,
