Mr. Ferrater:

The letter I requested, through which I hope to raise the money for my tuition next year, should be addressed to

Mr. John F. Lulves, Jr.
National Director
Intercollegiate Studies Institute, Inc.
629 Public Ledger Building
Philadelphia, Pa. 19106

Thank you very much for your interest in my work and for your willingness to write a letter for me. This is deeply appreciated.

I have been in touch with Mr. Lulves personally and he has said that they are definitely interested in my application and that they will look forward to hearing from you and Miss Stearns.

Thanks Much,
Page Bailey
