Professor José Maria Ferrater Mora
Professor of Philosophy
Bryn Mawr College
Bryn Mawr, Pa.

Dear Professor Ferrater Mora:

As chairman of the Stipe Lectureship Committee, I should like to extend to you the offer to make the John Gordon Stipe Memorial Lectures in Spanish Culture. This would entail three public or semi-public lectures or their approximate. The subjects could be of your choosing within a wide interpretation of the phrase Spanish culture. If you wished, one could be made in Spanish. The lectureship pays an honorarium of \$900 plus expenses.

I am sorry that I am writing so late to you in the academic year but a new chairman, myself, and a new committee have just been appointed by the appropriate authorities. The date for these lectures has been tentatively set for the first week in April, but this could be changed to an earlier or later date except for the last three weeks in March which include the ending of our winter quarter, our examination period, and the intersession.

If you wish any further information, I shall be happy to answer to the best of my ability. I trust I may hear from you soon.

Sincerely yours,

10-X-62.
