Prof. Jose Ferrater Mora
Hotel Conde Duque
Madrid

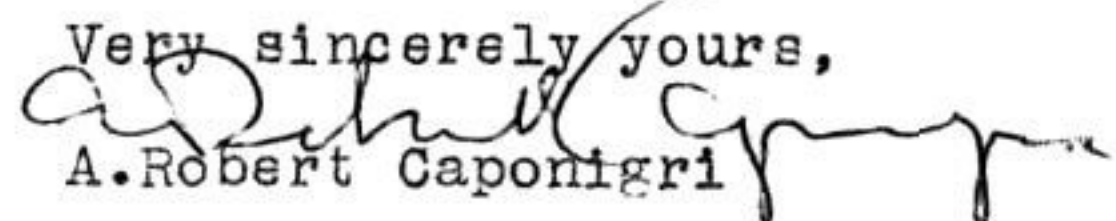

Dear Professor Ferrater,

I hope that you will forgive my liberty in writing you in this way. I learned only on Thursday from Prof. Aranguren that you would be in Madrid on Monday June 12 and staying at this hotel. I would very much appreciate an opportunity of speaking with you during your stay and am taking this way of asking for an appointment.

I am here in Spain on a Fulbright grant as visiting professor at the University. I am studying Spanish thought since 1939 and my immediate project is the preparation of an anthology to be translated into English. I would like very much to include an item from your writing in the anthology and would like to discuss its selection with you. I should also like to get your reaction to the general plan of my work and the list of authors I have chosen to be represented in it.

If you might find it possible to grant me a few minutes of your time, I should appreciate it very much. I can be reached at home by telegram or telephone; The address is Enrique Larreta 14, I, 3^o. The phone number is 235-4410. During the daytime I can also be reached (if I am not at home, at the Luis Vives Institute.

Thanking you very much, I remain, with cordial expressions of esteem,

Very sincerely yours,

A. Robert Caponigri
