Prof. Jose Ferrater Mora
Department of Philosophy
Bryn Mawr College
Bryn Mawr, Pa.

Dear Prof. Ferrater,

Thank you so very much for your
kind note of March 8.

It will not be necessary to have the manuscript
immediately. The summer time would do very well.

However, in order to satisfy the publisher, the
University of Notre Dame Press, I would appreciate
it very much if you could send me just a short note
stating that you had granted permission for the use
of this material which will be delivered at a later
date. Thus my record would be complete. I do not like
to trouble you again, but if this could be done without
too much inconvenience, I would appreciate it.

With kindest personal regards and many thanks,
I remain,

Very truly yours,

A. Robert Caponigri
