Professor Jose Ferrater Mora
Department of Philosophy
Bryn Mawr, Pennsylvania

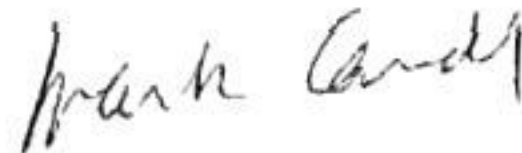

Dear Professor Mora,

We are considering the possibilities of publishing an English translation of Julian Marias' book, ORTEGA: CIRCUNSTANCIA Y VOCATION, issued in Madrid in 1960. The book has been highly recommended to us, and we are now seeking opinions on the suitability of undertaking the project so that we might discuss it with our Board.

Do you know the book? If so, would you give us your views on the need and value of an English translation? If you have not seen the book, we have a copy here, which we would be pleased to send to you for reading.

I shall look forward to hearing from you. If convenient, you may wish to call me collect at UNiversity 8.7600, Extension 2602.

Sincerely yours,

Mark Carroll
