Dear Prof. Ferrater,

Please let me know whether you would be willing to review the following for the Journal:

Eduardo García Máynez. Lógica del juicio jurídico. Publicaciones de Diánoia. Fondo de Cultura Económica, México and Buenos Aires 1955, 197 pp.

We have a review copy of this which we will send if you are able to undertake the review.

We ask ordinarily for completion of reviews within three months. The normal maximum length for the review would be 750 words.

The book is only partly in the field of the Journal, and it is to be reviewed with attention primarily to parts and aspects of it that fall within (or at least border on) our field. There is no objection to dismissing the book with a rather brief review if it is found on closer examination that it doesn't contain much of importance in this field.

Very sincerely yours,

*Alonzo Church*
