Caro José:

Como Vd sabe, yo no asistiré a la reunión del IIP en Alicante. Por lo tanto no podré protestar contra la barbaridad que hicieron al tomar decisiones en la reunión de Dakar, de diciembre pasado, a la que asistieron poquísimos miembros. En particular rechazaron las candidaturas de los argentinos Alchourrón y Bulygin, apoyados por v. Wright & un servidor. (Acompaño la carta de v. W. en que me informa de esto.) Espero que Vd esté de acuerdo en que hay que insistir en que se los coopte a ambos.

Saludos cordiales para ambos.

Dear Bunge,

As you know, neither Carlos Alchourrón nor Eugenio Bulygin were elected members of the Institut International de Philosophie at the meeting in Dakar last December. I have asked the chairman of the Co-optation Committee, Professor Ladrière, to retain them for the time being on the list of candidates. Or do you think we should drop the matter? The answer depends perhaps to some extent upon whether you think of participating yourself in the next meeting which, as you know, will be in Alicante in Spain in September. If you, and Miro Quesada, and I are there we may have a good chance of seeing the two candidates elected. I think they are eminently worthy to be members of the I.I.P.

I shall be grateful to hear from you as soon as you can.

Best wishes,

Yours,
