Dear Professor Ferrater Mora:

We are looking forward to your visit to Lafayette on Thursday and Friday of this week. Can you please meet me at 5 or a little earlier at the entrance to Pardee Hall on the campus, where there is parking space for guests. If you come by the Northeast Extension of the Turnpike, drive from the Allentown exit via Route 22 to Easton, leave Route 22 at the exit to the Easton business district, turn left for a short block on Bushkill Street, then turn left again on North Third Street (going under Route 22) and proceed up College Hill. Make the first possible left turn on the hill. This is McCartney Street. Go about a block on McCartney and turn left at the first street, Clinton Terrace. You will then be on the campus with the massive pile of Pardee looming ahead.

We are planning to accommodate you overnight at McKelvy House after your address. We deeply appreciate your willingness to interrupt your leave to be with us. We are excited by the prospect.

Sincerely yours,

  
George A. Clark
