2885 LEE ROAD  
SHAKER HEIGHTS 20, OHIO

Sept. 19

Dear Mr. Ferrater-mora,

Now that October and  
the date of your visit to Cleveland  
is approaching, I should like  
to find out what your plans  
will be. Will you take the night  
train from Philadelphia or fly?  
Either I or another will certainly  
be on hand to meet you. Will you

spend the night here or do you  
have to hurry back to the college.  
Please let us know.

We are all looking forward  
to meeting you and hearing your  
lecture with eager anticipation.

Sincerely,

Margaret J. Clowes
