Dear Prof. Ferrater Mora,

Could you edit the enclosed from Prof. Guerra, and indicate what you would omit or modify, if anything? I should send in this text subject to your recommendation on it. Please do return the text to me so that I may use it. Joseph Kockelmans is pushing us on the content, so do get it back to me as soon as you can!

Many thanks! With much appreciation,

Yours cordially,

[Signatura]
