Professor José Ferrater Mora  
Department of Spanish  
Bryn Mawr College  
Bryn Mawr, Pennsylvania 19010

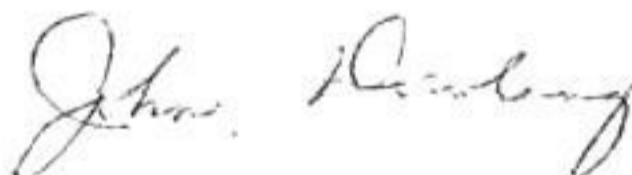

Dear Professor Ferrater:

Possibly in the fall of 1971, though more likely in the fall of 1972, the Department of Spanish and Portuguese plans to fill a position at the full professor level. Members of the faculty have suggested that I inquire of you whether you would like to be considered for a position here.

Should you find the possibility attractive, it would be helpful if you would complete the enclosed request for information and return one copy to me.

If you yourself are not interested in a move, we would be pleased to have your recommendation of another candidate in your field. I enclose a folder which describes the work of our department.

Sincerely yours,

John Dowling  
Chairman
