

Nov. 15, 1965

Dear Professor Ferrata Mora,

I am compiling an anthology of important writings on
Wittgenstein to be published by Dell Publishing Co.
I would like very much to include your article,

"Wittgenstein, A Symbol of Troubled Times" which appeared
in Philosophy and Phenomenological Research, XIV, No. 1.

Would you kindly grant me your personal permission
to reprint your work in my anthology?

Thank you very much

Cordially,

K. T. Fanson
