Dear friend and colleague:

The purpose of this letter is dual: to tell you
have much I enjoyed your paper in New York; and to
ask a favor. I ran into numerous difficulties as I
transcribe and edit Gillet's fourth volume on Torres
Naharro, and one of them is this. He quotes in
Spanish a work by Carl Gebhardt, Rembrandt y Spinoza,
without place or date. I have not been able to find
it in Palau, Bibliotheca Hispana, etc. I suspect it
may be an "interior title" (as if he said "La Casta
Histórica" instead of "En torno as casticismo").
Do you have any way of checking on it from the
Spinoza angle? Please don't go to trouble, but I
thought it might be easy for you.

Cordially yours,

Otis H. Green
