Dear Professor Mora:

On behalf of the Board of Trustees and the staff of the Institute, I am writing to express our thanks for your assistance as a member of the National Screening Committee for the Fulbright-Hays program.

The full participation of the scholarly professional community in the operation of this exchange is vital to its success and we are most appreciative of your readiness to work with us in the review and evaluation of applications for study abroad. I wish that the candidates and their faculty advisers could know with what painstaking care and sympathetic concern their applications are considered.

With renewed thanks for your contribution to educational exchange, I am

Sincerely yours,

Kenneth Holland
President
