Dear Jose,

I tried reaching you at home and learned that you are in Spain. I trust it has been a good period for you.

I am up for a promotion this year and took the liberty of submitting your name as a referee. I do hope you will be able to write something favorable for me.

Do let me know when you are back. It will be good to see you before too long.

Best to Priscilla-

As ever,
Michael

P.S. Kline has much updated material on my work.
