

WESLEYAN UNIVERSITY
MIDDLETOWN, CONNECTICUT
DEPARTMENT OF PHILOSOPHY

May 9, 1962

My dear Friend & Colleagues: -

I'm delighted to know that you are thinking of Wesleyan for your own family. I just spoke to the Admissions Office and was told what they wrote you: that if you could come before noon someone would take you around the Campus. After noon of course all is closed, but the Campus, of course, is visible ^{at the Admissions Office}.

As far as I know I shall be on Campus or at home on May 15. My home address is Diamond 6-1648. The College telephone number is Diamond 7-4421, my extension is 269.

I shall be delighted to see both of you then.

With every good wish & hasta la vista!

Cordially,
Cornelius Krueger
