My dear Friend & Colleague:-

I'm delighted to know that you are thinking of Wesleyan for your son Jaime. I just spoke to the Chairman Office and was told that they wrote you: that's if you could come before noon someone would take you around the Campus. After noon of course all is closed at the Admissions Office, but the Campus, of course, is visible.

As far as I know, I shall be on Campus or at home on May 19. My home address is Diamond 6-1648. The College telephone number is Diamond 7-4421, my extension is 269.

I shall be delighted to see both of you then.

With every good wish + hasta la vista!

Cordially,
