Prof. José Ferrater Mora  
Department of Philosophy  
Bryn Mawr College  
Bryn Mawr, Pa.

Dear Prof. Mora,

Thank you very much for your reply of March 1. I regret of course that you will not be doing an Ortega portrait for us. Perhaps within the year you might want to reconsider this. At any rate I am most eager to have something by you again, and I would be very grateful if you would send me a copy of the "Three Philosophies" which you mention. Bondy's recommendation is very "appetizing" and I am only sorry that he did not mention it to me before.

With cordial greetings,

  
MELVIN J. LASKY
