Bryn Mawr College  
Bryn Mawr, Penna.

Dear Professor Mora:

Your name has been suggested to us in connection with an opening in our department for September, 1963. We should be happy to hear from you as to your interests in the matter.

We shall be glad to send you any detailed information you may wish about Hunter College or about the Graduate Studies program which we offer in cooperation with the other Colleges of the City University of New York. Any of the information ordinarily included in a curriculum vitae would be most helpful to the committee.

Yours sincerely,

*William Bryar*
