Department of Philosophy  
Bryn Mawr College  
Bryn Mawr, Pennsylvania

Dear Professor Mora:

Thank you very much for your recommendation of Miss Juliet Goodfriend in connection with our History of Science department. I have not yet heard from her directly, but I assume that her application has gone to the Graduate School. You might tell her, if she is available, that I would appreciate it if she would call my secretary, Miss Nancy Thompson (Evergreen 6-0100, extension 461), and arrange for an interview. I always think this is advisable if people are near at hand and can be reached in this fashion.

Cordially,

Loren C. Eiseley, Chairman  
Department of the History  
and Philosophy of Science
