Bryn Mawr, Pennsylvania

Dear Professor Ferrater-Mora,

My colleagues in Spanish tell me that they would like us to invite you here to lecture on the 17th of February next and that they have informally broached the subject to you. I am delighted to make the invitation official at this point and to propose to you an honorarium of \$100.00. If I receive your acceptance - as I hope to without much delay in view of the date we suggest - I shall ask our friend Juan Marichal to take charge of arrangements for the lecture and your entertainment. He is very familiar with our students and the Spanish community here and would thus be the best person to advise you as to your subject, and so forth.

I hope very much that you can come and shall look forward to the pleasure of meeting you.

Very truly yours,

W. M. Frohock
