Dear Professor Mora:

On January 27 of this year I wrote to you saying that you would hear from the editors of MAN AND WORLD in a few weeks regarding Rafael Braun's paper on Locke's political philosophy. Our apologies to you for being so slow.

Professor Braun's paper will be appearing in Volume 4, No. 1 of our journal. We had the proof read here by a graduate student in Spanish.

Martinus Nijhoff will supply Professor Braun with 25 free reprints of his article when that issue of the journal is published. I am writing Professor Braun giving him that information and suggesting that he write Nijhoff giving them his complete address.

Thank you for finding this paper for us. We are sorry that Nijhoff is most loath to accept any more Spanish articles. In the next issue the inside of the back cover will indicate that articles from Spanish speaking countries should be sent to you, but these should be written in English.

Sincerely,

(Mrs.) R. S. Arnold  
Editorial Secretary
