Professor Joe Ferriter Moral  
Bryn Mawr, Pennsylvania

Dear Professor:—

Your name has aroused my interest. Are you from the diaspora of the Irish people which started about 1650, which took ~~the~~ Ferriters from Ballyferret and Dingle in Kerry to the four winds. The name is spelled in several ways nowadays because it was never standardized.

I enjoy your books.

Sincerely,  
Rear Admiral CA Ferriter USN (Retired) CA Ferriter
