Dear Mr. Mora,

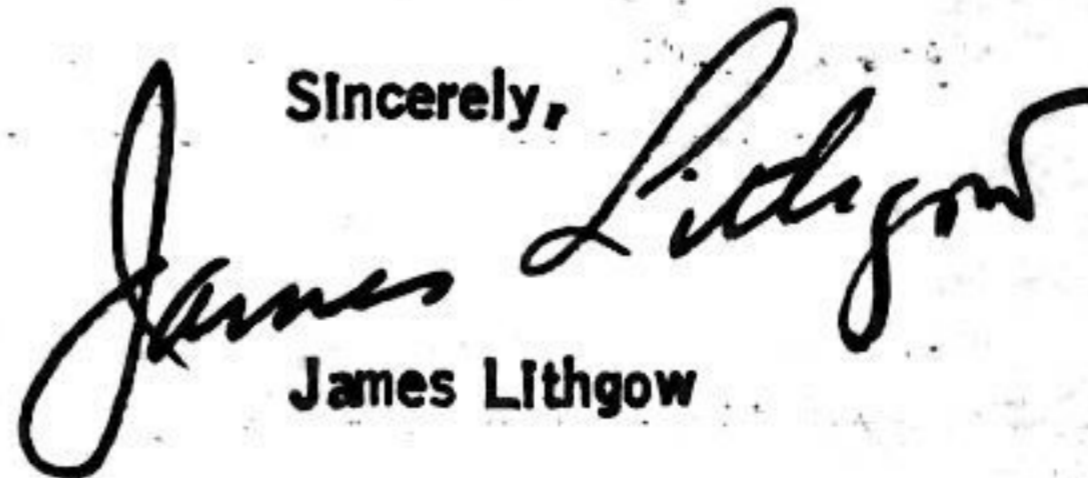

Thank you for your letter of November 28th.

It was very thoughtful of Mr. Levin to give you my name in connection with distributing your new feature film.

I should like to see the film as soon as possible. However, the sound on my projector is frightfully bad. Also, there is a possibility that I shall be in Philadelphia within the next week or ten days. If this is the case I can make arrangements for a screening there. If my current plans fall through I will let you know at once and we can make arrangements for you to bring the film to New York.

Thank you for your consideration of the Filmmakers Distribution Center.

Sincerely,

James Lithgow
