

March 3, 1980

Dear José,

As I'm sure you know by now, George informed me of your decision on my candidacy last Thursday evening. Needless to say, I'm not without a certain disappointment. Nevertheless, I'm also pleased that my candidacy has been taken so sincerely, especially by you and George.

I want to take this opportunity to thank you for your efforts on my behalf.

Find regards to Priscilla.

Yours,

[Signatura]
