Bryn Mawr College
Bryn Mawr, Pennsylvania 19010

Dear Professor Ferrater-Mora:

It is the policy of our Department as well as the University to ask faculty members from other universities to help us evaluate the research of those of our faculty who are being considered for promotion to the rank of professor.

One of the individuals we are considering is Dr. Priscilla Cohn, and we would be most grateful for your evaluation of her research. Dr. Cohn is aware that we have requested this evaluation but except for our Promotion and Tenure Committees and our Dean, your reply will be confidential. I understand that you have a list of her research publications as well as several of her reprints in case you wish to refresh your recollection of her work.

It would be helpful to us if you would evaluate the reputation of Dr. Cohn in comparison with others you have known at the same stage of their professional careers.

I am very much aware of the imposition of such an inquiry. Since our Promotion and Tenure Committees will be meeting early in January 1982, we would greatly appreciate a reply by January 1 if at all possible. Please do not hesitate to let me know if I can be of any further assistance to you in your deliberations.

Sincerely,

Carl R. Hausman, Head
Department of Philosophy
