Dear Prof. Ferrater,

It was pleasant meeting you recently in Boston; I regret that I did not hear your talk on the origin of meaning. Would it be possible to send me a copy of this text as well as "The Idea of Man"? Also, I was wondering whether you have done any work on José Ortega y Gasset; I have a lively interest in his philosophy.

Please find enclosed an offprint of one of my more recent publications; I hope you find it interesting and informative.

Once again, it was pleasant meeting you. Have a peaceful and productive new year. Thank you for your time and consideration regarding my requests.

Sincerely,

*Vincent*
