Dear Mr. Ferrater,

Please accept our apologies and the return of your check for \$1.05 for a key to your new M.G.B.

All of our employees must account for everything which passes through their hands. In the absence of more explicit instructions, someone sent you a bill for a key which should have been included when you took delivery of the car.

We are sorry for this oversight.

Very truly yours,

N. B. Schoch
