Dear Professor Liora,
On behalf of the monthly
Kultura, I am sending here -
with enclosed \$25 - check for
your beautiful article in the
October issue.

Many years ago, when
Joseph Crapski was staying
with me I have heard a lot
about you and even, I think,
I wrote you a letter. Perhaps
that Joseph left some part of
his luggage at your place, as
it happened often - This won-
derful man is rather about
united. Sincerely yours,
Aniela Mieczyslawski
