Professor Jose Ferrater Mora
Department of Philosophy
Bryn Mawr College
Bryn Mawr, Pennsylvania

Dear Professor Mora:

We are delighted that you will be able to come to speak to us sometime next semester. A Monday night is fine with us, and as for the particular one, would the 4th or the 11th of April be all right with you? If you have another preference, just indicate it because our April calendar is, as far as I know, a complete blank.

Your possible topics for actual papers were a bit difficult to choose from because they all sound interesting. Since our chairman, Mr. Schrader is giving a graduate seminar on consciousness, however, and since our tastes here seem to run towards the abstruse, some of the people with whom I consulted seemed inclined towards "Dispensing with Consciousness". It sounds a little like a departmental death wish, I suppose, but in this particular case I share it completely.

I imagine that you will need accommodations for the night that you come since it will be easier to get back in the morning. The Club will be happy to arrange for them for you here in the guest rooms available for visiting speakers.

Again, we are very pleased that you have agreed to come and speak. I will give your regards to Kathleen Johnson when I see her next time.

Cordially,

Nan Younger
