Dear Professor Mora,

With the compliments of Bollingen Foundation and Princeton University Press, I am sending you a copy of the first volume to be published in our new edition of the Selected Works of Miguel de Unamuno, under the editorship of Anthony Kerrigan, Martin Nozick, Federico de Onís, and Herbert Read: volume 3, OUR LORD DON QUIXOTE. The edition is being published in nine volumes by Princeton University Press, and it is appearing also in England under the imprint of Routledge and Kegan Paul Ltd.

Volume 3 is being published in Princeton today. The successive volumes will appear at intervals of a year or so.

I hope that this volume may interest you and be of use in your work. If you have any comment, or if you should review the book, I should be glad to know of it.

Yours sincerely,
