Dear Sirs:

I would appreciate information about the Cooperative's activities. I have six 16 mm. films in the Cooperative's Library, listed in your Catalogue No. 6 (1975). Since I assume that few, if any, have been requested up to the present, I would like very much to have the prints shipped back to me. To be sure, I would pay for the shipping expenses.

With best wishes,

Sincerely,

J. Ferrater-Mora
