Dear Professor Nozick:

Thank you for your letter and your kind invitation
to read a paper, or give a lecture, in your
Ortega Symposium.

Unfortunately, I will be away, in Spain, by May 5.
Indeed, I will be in Spain most of the second
semester --in Madrid and Barcelona, first, and
in the University of Palma de Mallorca for about
two months on occasion of a seminar focused on
the ideas outlined in my book, From Matter to Reason
(De la materia a la razon).

Your Symposium deserves a great success among
English-speaking philosophers.

With best wishes,

Sincerely,

J. Ferrater Mora
