National Endowment for the Humanities

Dear Ms Premo:

Thank you for your letter of February 21 (received yesterday).

I am interested in principle in applying to direct an institute but before I take any formal steps in this direction I would appreciate to receive more detailed information about what specific kind of work is involved. I would like also to know what places are available, and in particular if there any within commuting distance.

I indicate below my private address and telephone number. Please note, however, that I will be lecturing at the University of Texas (Austin) from March 3rd through March 12.

Thank you again for your suggestion. With best wishes,

Sincerely yours

José Ferrater-Mora
