Mr. J.M. Ferrater:

Many thanks for your call this p.m.

Again, congratulations for your wins!

Maurine, my wife, has the typewriter tied up while making up a new Moline woman's club address book for 1986 season- so pardon the printing. Want to get this entry + hoel form out to you quickly.

I marked the motion picture luncheon to alert you to the date, and while we'd love to have you be with us for it, it is not mandatory. Be sure to be at the Weston Hotel by noon so you can locate us by 1:30 pm or so. Feel welcome to buy the whole ball of wax + include the family if you like. They will love it all I'm sure.

Note my mark on the convention address as it (application) is separate from the Weston Hotel (application).

Am enclosing photo-copies of some Seattle data to help persuade you and the family to make the most of the week capping it with them being with you at the awards ceremony.

Thanks again for your participation!

P.S. We are going on tour #4 if you'd like to go with us.
