Dear Professor Kingdon:

Thank you for your letter of September 15. As I informed Professor Birutė Ciplijauskaitė, I will be happy to participate in the Calderón's symposium of March 27-28, 1981, in addition to give the Julius Weinberg Lecture on "The Languages of History."

There is no objection, of course, to include my Calderón's Symposium lecture in the volume planned.

Looking forward to seeing you,

Sincerely

J. Ferrater Mora
