Dear Professor Ferrater Mora:

We shall be glad to publish your article, "On Migel de Unamuno's Idea of Reality." Of course, as I am sure you understand, there must be considerable unavoidable delay because of the large amount of material on hand. To protect ourselves we inform writers that we must be allowed up to 2-2½ years, if necessary. Your paper will be run as a discussion article, if that will help to schedule it. I assure you that we are glad to have it.

With best regards,

Sincerely yours,

Marvin Farber
