Dear Professor Ferrater-Mora,

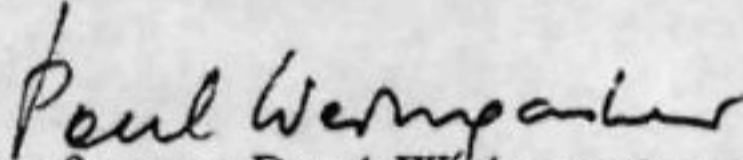

We are to edit a volume of studies on Mario Bunge's *Treatise on Basic Philosophy*. Our volume will be published by Rodopi (Amsterdam, Holland) in 1989 and appear in the series *Poznan Studies in the Philosophy of the Sciences and the Humanities*.

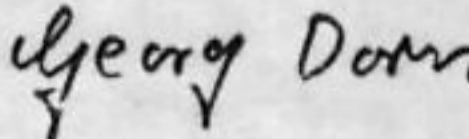

We should like herewith to invite you to contribute to our volume. We would be happy if you were able to do so, as we know that you have concerned yourself with the *Treatise* and could develop one or more of its topics in a critical as well as constructive way.

If you are willing, your article on the *Treatise* should have a minimal length of 20 and a maximal length of 30 pages (double-spaced). The deadline is November 30, 1988.

We very much hope that your answer will be positive and we are looking forward to hearing from you soon.

Sincerely yours,

  
Professor Paul Weingartner
