

Dear Priscilla & José:

Welcome back! How you had a lovely trip. Looking forward to seeing you both soon.

DEAR JOSÉ,

Thank you FOR letting me use your "Carrel EMERITUS". I've left Grekten with a box F11 of your mail. The only potentially urgent order of business had to do with your presence on M. Phillip's Prelim Reexaminations –but it was all a mistake and Mr. Kline arranged for someone else to take your place. Otherwise I truly appreciated the isolation that to study carrel afforded me. I have left the key with Mrs. Silvia.

Best regards,

[Signatura]

P.S. Both Lynne Caldarone and ERIC V.O. Luft are interested in joining the Willowbrook Circle.
