Dear Sirs:

I enclose herewith copies of my letter of July 23, and titles to be set up, etc.

→ Some time ago I received a call from your Laboratory asking me whether the 3 (three) which I sent you with my letter in separate file cards were the artwork to be photographed. I answered **NO**, namely, the titles must be set up as artwork, photographed, processed, etc. **WHITE LETTERS ON BLACK BACKGROUND**, so they can be used in "A" and "B" rolls for superimposition on images.

At any rate, since that call, more than three weeks ago, I have not received your further news, nor the film with the titles. I will appreciate speeding up this order. Information on Master Charge plate is in my letter of July 23.

Very truly yours
