Barcelona 29. abril 1979.

Muy querida Priscilla.

No sabes cuanto siento lo que te ha sucedido con el perro y los dos gatos. Ahora que en mi último viaje, el negro ya empezaba a quererme. Pienso cuan do lo habrás sentido, tu quequieres tanto a los animales.

La dedicatoria que te ha hecho José M^º en su libro "De la materia a la razón" me ha gustado mucho, por todo lo que dice i no dice.

Hasta pronto, y muchas recibe un gran

gardenia and strawberries. I always believe coffee is best

when you are very worried, calm, cool and mostly the usual

coffee break. I have found the most effective way to relax is

to sit relaxed back up straight without moving at all

and

just sit there with your eyes closed and just breathe slowly.

I have also found that the best way to relax is to go outside

and walk around the garden or the park or just sit in a chair

and just sit there and just breathe slowly.

Just sit there and just breathe slowly.
