Dear Professor Ferrater Mora:

I was extremely sorry to learn the two reasons for your hesitation to undertake the article on Society. I appreciate, however, your offer of help and advice. Since we have already had an article by Professor Recasens-Siches on Justice, I do not think it would be appropriate to approach him again so soon. I am sorry to say I don't know the work of Dr. Juan Antonio Maravall and I do not have his address. Would you mind sending me his address? I hope that I shall be able to have your assistance further in the selection of authors for the Spanish articles in the Dictionary.

I was very much pleased to learn that you liked my article on "Power and the Language of Power."

With best wishes,

Yours as ever,

  
Richard P. McKeon
