Department of Philosophy  
Bryn Mawr College  
Bryn Mawr, Pennsylvania

Dear Dr. Mora:

I am still aglow with the good sense and good fun of your appearance here last night. Everyone enjoyed the occasion. The students like it; so did my colleagues. You did very well before our big audience. Let me repeat: I don't know exactly what we have here in our Philosophy Club; but I am not willing to let go of it, at least until I understand the reasons for its drawing power. I have put through your check today. It should arrive within a couple of days.

It was a privilege to have you in our home. I do hope to see you soon at the Fullerton Club, and on many other occasions. Meanwhile, as you come across philosophers with the necessary traits of personality (in addition to wisdom) to do well before our group please let me know.

Thank you again for an enjoyable and stimulating evening.

Sincerely yours,

*William L. Reese*
